41	(h) If for a calendar year a civil taxing unit is allocated a part of a
42	county's distributive shares by subsection (g), then the formula used in

subsection (e) to determine all other civil taxing units' distributive
shares shall be changed each month for that same year by reducing the
amount to be distributed as distributive shares under subsection (e) by
the amount of distributive shares allocated under subsection (g) for that
same month. The department of local government finance shall make
any adjustments required by this subsection and provide them to the
appropriate county auditors.
(i) Notwithstanding any other law, a county fiscal body may pledge
revenues received under this chapter (other than revenues attributable
to a tax rate imposed under section 30, 31, or 32 of this chapter) to the
payment of bonds or lease rentals to finance a qualified economic
development tax project under IC 36-7-27 in that county or in any other
county if the county fiscal body determines that the project will
promote significant opportunities for the gainful employment or

retention of employment of the county's residents.

39	tax is imposed, paid, and collected under IC 6-2.5. However, the
40	return to be filed for the payment of the taxes may be made on

4	occupants of any real property selected for the purposes of this	
5	article, the district may proceed under IC 32-24-1 to procure the	
6	condemnation of the property. The district may not institute a	
7	proceeding until it has adopted a resolution that:	
8	(1) describes the real property sought to be acquired and the	
9	public purposes for which the real property is to be used;	
20	(2) declares that the public interest and necessity require the	
21	acquisition by the district of the property involved; and	
22	(3) sets out any other facts that the district considers	
23	necessary or pertinent.	
24	The resolution is conclusive evidence of the public necessity of the	
25	proposed acquisition.	
26	Chapter 8. Planning

32	transportation services or reduce fares for the public.	
33	Chapter 10. Operation of Public Transportation Facilities	
34	Sec. 1. The district may provide public transportation service by

17	provided. In addition, any purchase of service agreements or grant
18	contracts must provide, among other matters, for:

20	distribution that is to be used to provide revenue to the district. If	
21	the ordinance is adopted, the county fiscal body immediately shall	
22	send a copy of the ordinance to the county auditor. Money	
23	distributed to the district under this section may be used only for	
24	the purposes of the district specified in an ordinance adopted by	
2.5	the fiscal body.	
26	Chapter 14. Allocation Areas	
27	Sec. 1. (a) Whenever the board finds that an allocation area in	
28	the district is likely to benefit from proximity to a public	V
29	transportation system, the board shall cause to be prepared the	
0	data described in subsection (b).	
31	(b) After making a finding under subsection (a), the commission	
32	shall cause to be prepared:	
3	(1) maps and plats showing:	
34	(A) the boundaries of the allocation area that is likely to	
35	receive a benefit; and	
66	(B) the location of the various parcels of property, streets,

8	public transportation system, indicating any parcels of	
9	property to be excluded from an allocation area;	
10	(2) lists of the owners of the various parcels of property	
1	proposed to be benefitted by establishment of an allocation	

1	area or the amendment of the resolution or plan for an	
2	existing allocation area;

4	IC 6-1.1-21.2-3) relative to the proposed allocation area; and	
5	(4) the costs of the project that will be funded by property	
6	taxes allocated from the allocation area.	
7	(c) This subsection applies to the initial establishment of an	
8	allocation area. After completion of the data required by	
9	subsection (b), the board shall adopt a resolution declaring that:	
10	(1) the area will benefit from proximity to a public	- 1
11	transportation system;	
12	(2) it will be of public utility and benefit to designate the	
13	allocation area under this chapter to fund a project;	
14	(3) the area is designated as an allocation area for purposes of	
15	this chapter; and	
16	(4) the proposed allocation area is not in an existing allocation	4
17	area (as defined in IC 6-1.1-21.2-3).	•
18	The resolution must state the general boundaries of the allocation	
19	area and contain any provisions required by section 6 of this	
20	chapter.	
21	(d) This subsection applies to the amendment of the resolution	
22	or plan for an existing allocation area. After completion of the data	
23	required by subsection (b), the board shall adopt a resolution	
24	declaring that:	
25	(1) if the amendment enlarges the boundaries of the allocation	
26	area, the existing allocation area does not generate sufficient	
27	revenue to meet the financial obligations of the original	1
28	project;	`
29	(2) it will be of public utility and benefit to amend the	1
30	resolution or plan for the allocation area;	
31	(3) the additional area is designated as part of the existing	
32	allocation area for purposes of this chapter; and	
33	(4) the proposed allocation area is not in an existing allocation	
34	area (as defined in IC 6-1.1-21.2-3).	
35	The resolution must state the general boundaries of the allocation	
36	area, including any changes made to those boundaries by the	
37	amendment, describe the activities that the district is permitted to	
38	take under the amendment, with any designated exceptions, and	
39	contain any provisions required by section 6 of this chapter.	
40	(e) For the purpose of adopting a resolution under subsection (c)	
41	or (d), it is sufficient to describe the boundaries of the allocation	

area by its location in relation to public ways or streams, or

1	otherwise, as determined by the board. Property excepted from the
2	application of a resolution may be described by street numbers or
3	location.
4	(f) An allocation established under this section may not be
5	located in any allocation area (as defined in IC 6-1.1-21.2-3)
6	established before the action taken under this section.
7	Sec. 2. (a) After adopting a resolution under section 1 of this
8	chapter, the board shall publish notice of the adoption and
9	substance of the resolution in accordance with IC 5-3-1. The notice
10	must:
11	(1) state that maps and plats have been prepared and can be
12	inspected at the office of the district; and
13	(2) name a date, time, and place when the board will:
14	(A) receive and hear remonstrances and objections from
15	persons interested in or affected by the proceedings
16	pertaining to the proposed project or other actions to be
17	taken under the resolution; and
18	(B) determine the public utility and benefit of the proposed
19	project or other actions.
20	All persons affected in any manner by the hearing, including all
21	taxpayers of the special taxing district, shall be considered notified
22	of the pendency of the hearing and of subsequent acts, hearings,
23	adjournments, and orders of the board by the notice given under
24	this section.
25	(b) The board shall file the following information with each
26	taxing unit that is wholly or partly located within the allocation
27	area:
28	(1) A copy of the notice required by subsection (a).
29	(2) A statement disclosing the impact of the allocation area,
30	including the following:
31	(A) The estimated economic benefits and costs incurred by
32	the allocation area, as measured by increased employment
33	and anticipated growth of real property assessed values.
34	(B) The anticipated impact on tax revenues of each taxing
35	unit.
36	The board shall file the information required by this subsection
37	with the officers of the taxing unit who are authorized to fix
38	budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten
39	(10) days before the date of the hearing.
40	(c) At the hearing, which may be adjourned from time to time,
41	the board shall hear all persons interested in the proceedings and

shall consider all written remonstrances and objections that have

been filed. After considering the evidence presented, the board shall take final action determining the public utility and benefit of the proposed project or other actions to be taken under the resolution, and confirming, modifying and confirming, or rescinding the resolution. The final action taken by the board shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by section 3 of this chapter.

Sec. 3. (a) A person who filed a written remonstrance with the board under section 2 of this chapter and is aggrieved by the final action taken may, within ten (10) days after that final action, file in the office of the clerk of the circuit or superior court a copy of the order of the board and the person's remonstrance against that order, together with the person's bond conditioned to pay the costs of the person's appeal if the appeal is determined against the person. The only ground of remonstrance that the court may hear is whether the proposed project will be of public utility and benefit. The burden of proof is on the remonstrator.

(b) An appeal under this section shall be promptly heard by the court without a jury. All remonstrances upon which an appeal has been taken shall be consolidated and heard and determined within thirty (30) days after the time of the filing of the appeal. The court shall hear evidence on the remonstrances, and may confirm the final action of the board or sustain the remonstrances. The judgment of the court is final and conclusive, unless an appeal is taken as in other civil actions.

Sec. 4. If no appeal is taken or if an appeal is taken but is unsuccessful, the board may proceed with the designation or expansion of the allocation area.

Sec. 5. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this section may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the allocation area than would otherwise have been received if the general reassessment or annual

1	adjustment had not occurred. The department of local government	
2	finance may prescribe procedures for county and township officials	
3	to follow to assist the department in making the adjustments.	
4	Sec. 6. (a) A resolution adopted under section 1 of this chapter	
5	shall include a provision with respect to the allocation and	
6	distribution of property taxes for the purposes and in the manner	
7	provided in this section. A resolution previously adopted must	
8	include an allocation provision by the amendment of that	
9	resolution in accordance with the procedures required for its	
10	original adoption.	
11	(b) A resolution or an amendment that establishes an allocation	
12	provision must specify an expiration date for the allocation	
13	provision. The expiration date may not be more than twenty-five	
14	(25) years after the date on which the allocation provision is	
15	established.	
16	(c) The allocation provision may apply to all or part of the	
17	allocation area. The allocation provision must require that any	
18	property taxes subsequently levied by or for the benefit of any	
19	public body entitled to a distribution of property taxes on taxable	
20	property in the allocation area be allocated and distributed as	
21	follows:	
22	(1) Except as otherwise provided in this section, the proceeds	
23	of the taxes attributable to the lesser of:	
24	(A) the assessed value of the property for the assessment	
25	date with respect to which the allocation and distribution	
26	is made; or	
27	(B) the base assessed value;	
28	shall be allocated to and, when collected, paid into the funds	V
29	of the respective taxing units.	
30	(2) Except as otherwise provided in this section, property tax	
31	proceeds that exceed those described in subdivision (1) shall	
32	be allocated to the district and, when collected, paid into an	
33	allocation fund for that allocation area that may be used by	
34	the district only to do one (1) or more of the following:	
35	(A) Pay the principal of and interest on any obligations	
36	payable solely or in any part from allocated tax proceeds	
37	which are incurred by the district for the purpose of	
38	financing or refinancing a project that benefits the	
39	allocation area.	
40	(B) Establish, augment, or restore the debt service reserve	
41	for bonds payable solely or in part from allocated tax	
42	proceeds in that allocation area.	

1	(C) Pay the principal of and interest on bonds issued by a
2	public transportation agency to pay for a project that
3	benefits the allocation area.
4	(D) Pay premiums on the redemption before maturity of
5	bonds payable solely or in part from allocated tax proceeds
6	in that allocation area.
7	(E) Make payments on leases that benefit the allocation
8	area.
9	(F) Reimburse the district or a public transportation
0	agency for expenditures made by it for the organization of
1	the district or a project that benefits the allocation area.
2	(3) Except as provided in subsection (g), before July 15 of
3	each year the board shall do the following:
4	(A) Determine the amount, if any, by which the assessed
5	value of the taxable property in the allocation area for the
6	most recent assessment date minus the base assessed value,
7	when multiplied by the estimated tax rate of the allocation
.8	area, will exceed the amount of assessed value needed to
9	produce the property taxes necessary to make, when due,
20	principal and interest payments on bonds described in
21	subdivision (2) plus the amount necessary for other
22	purposes described in subdivision (2).
23	(B) Provide a written notice to the county auditor, the
24	fiscal body of the county and the officers who are
2.5	authorized to fix budgets, tax rates, and tax levies under
26	IC 6-1.1-17-5 for each of the other taxing units that is
27	wholly or partly located within the allocation area. The
28	notice must:
29	(i) state the amount, if any, of excess assessed value that
0	the board has determined may be allocated to the
31	respective taxing units in the manner prescribed in
32	subdivision (1); or
33	(ii) state that the board has determined that there is no
34	excess assessed value that may be allocated to the
35	respective taxing units in the manner prescribed in
66	subdivision (1).
37	The county auditor shall allocate to the respective taxing
8	units the amount, if any, of excess assessed value
9	determined by the board. The board may not authorize an
10	allocation of assessed value to the respective taxing units

under this subdivision if to do so would endanger the

1	interests of the holders of bonds described in subdivision
2	(2) or lessors under this article.
3	(d) For the purpose of allocating taxes levied by or for any
4	taxing unit or units, the assessed value of taxable property in a
5	territory in the allocation area that is annexed by any taxing unit
6	after the effective date of the allocation provision of the
7	declaratory resolution is the lesser of:
8	(1) the assessed value of the property for the assessment date
9	with respect to which the allocation and distribution is made;
10	or
11	(2) the base assessed value.
12	(e) Property tax proceeds allocable to the district under
13	subsection (c)(2) may, subject to subsection (c)(3), be irrevocably
14	pledged by the district for payment as set forth in subsection $(c)(2)$ .
15	(f) Notwithstanding any other law, each assessor shall, upon
16	petition of the board, reassess the taxable property situated upon
17	or in, or added to, the allocation area, effective on the next
18	assessment date after the petition.
19	(g) Notwithstanding any other law, the assessed value of all
20	taxable property in the allocation area, for purposes of tax
21	limitation, property tax replacement, and formulation of the
22	budget, tax rate, and tax levy for each political subdivision in
23	which the property is located is the lesser of:
24	(1) the assessed value of the property as valued without
25	regard to this section; or
26	(2) the base assessed value.
27	(h) If any part of the allocation area is located in an enterprise
28	zone created under IC 5-28-15, the unit that designated the
29	allocation area shall create funds as specified in this subsection. A
30	unit that has obligations, bonds, or leases payable from allocated
31	tax proceeds under subsection (c)(2) shall establish an allocation
32	fund for the purposes specified in subsection (c)(2) and a special
33	zone fund. Such a unit shall, until the end of the enterprise zone
34	phase out period, deposit each year in the special zone fund any
35	amount in the allocation fund derived from property tax proceeds
36	in excess of those described in subsection (c)(1) from property
37	located in the enterprise zone that exceeds the amount sufficient
38	for the purposes specified in subsection (c)(2) for the year. The
39	amount sufficient for purposes specified in subsection (c)(2) for the

year shall be determined based on the pro rata portion of such

current property tax proceeds from the part of the enterprise zone

that is within the allocation area as compared to all such current

40

41

property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (c)(2) shall establish a special zone fund and deposit all the property tax proceeds that exceed those described in subsection (c)(1) in the fund derived from property tax proceeds in excess of those described in subsection (c)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (c)(2), except that where reference is made in subsection (c)(2) to the allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

Sec. 7. (a) A board may levy each year a special tax on all the property in an allocation area in the district, in such a manner as to meet and pay the principal of the bonds as they mature, together with all accruing interest on the bonds or lease rental payments under this article. The board shall cause the tax levied to be certified to the proper officers as other tax levies are certified, and to the auditor of the county in which the district is located, before the second day of October in each year. The tax shall be estimated and entered on the tax duplicate by the county auditor and shall be collected and enforced by the county treasurer in the same manner as other state and county taxes are estimated, entered, collected, and enforced.

- (b) As the tax is collected, it shall be accumulated in a separate fund to be known as the allocation area fund and shall be applied to the purposes for which money allocated to the district under section 6 of this chapter may be used. All accumulations of the fund before their use shall be deposited with the depository or depositories for other public funds of the unit in accordance with IC 5-13, unless they are invested under IC 5-13-9.
- (c) The tax levies provided for in this section are reviewable by other bodies vested by law with the authority to ascertain that the levies are sufficient to raise the amount that, with other amounts available, is sufficient to meet the payments under the lease payable from the levy of taxes.
